INDEX.

Original Communications and Clinical, Pathological and Bacteriological Memoranda.

	PAGE
Ballantyne, A. J.—The ocular manifestations of spontaneous subarachnoid haemorrhage	383
Butler, T. Harrison.—Cataract extraction	495
—— Glaucoma	116
Cockburn, C.—An operation for entropion of trachoma	308
Conway, J. A. and **Loewenstein A.**—A third entity of primary symmetrical fatty corneal dystrophy	49
Crawford, R. A. D.—A case of multiple intra-ocular foreign bodies	227
Crawford, T., King, F. F. and **Rodgers, H. W.**—Haemangioma of the orbit, removed by operation	61
Cross, A. G.—Angioma of the orbit	372
Davson, Hugh.—*See* Duke-Elder, Sir Stewart.	
de Courcy, T. L. - A case of mustard gas keratitis under constant observation for a period of twenty years	54
Dickson, R. M.—First aid treatment of industrial eye injuries	544
Dodds, G. E.—A case showing partial deficient fusion of a maxillary process with lateral nasal process on one side	414
Duke-Elder, Sir Stewart and **Davson, Hugh.**—The significance of the distribution ratios of non-electrolytes between plasma and intra-ocular fluid	431
Evans, P. Jameson.—A note on iridencleisis	548
Ferree, C. E. and **Rand, G.**—Colour in protective night light	173
Fish, Winifrede M.—Acne rosacea keratitis and riboflavine (Vitamin B_2)	107
Fleming, N.—Iontotherapy (ionic medication, iontophoresis, ionisation) as an aid in ophthalmic therapeutics	354
Ford, Rosa.—Irido-cyclitis and choroiditis due to "silent" sinusitis	469
Foster, J.—Discission of traumatic hyaloid diaphragm, March, 1941	462
Freeman, J. D. J.—A case of bilateral interstitial keratitis leading to blindness	104
Garrow, A. and **Loewenstein, Arnold.**—A case of monocular hydrophthalmia with special reference to its possible relation to the Sturge-Weber syndrome	335
Hamilton, J. Bruce.—Notes on forms of keratitis presumably due to the virus of herpes simplex	80
—— Ocular complications in relapsing fever	68
Hill, E. G.—A note on some symptoms associated with a retinal lesion	97
Hughes, E. B. C.—Injury to the optico-chiasmal junction. A case report	367

SUBJECTS.

PAGE

Abducens nerve, paralysis of, following spinal anaesthesia (Annotation) ... 131
Accommodation, some remarks on Fincham's capsular theory of 127
Acne Rosacea keratitis and Riboflavine (vitamin B_2) 107
Actinomycosis of the inferior lacrymal canaliculus ... 424
Adrenal neuroblastoma with orbital metastases ... 136
Albino with senile cataracts ... 39
Amaurosis, temporary, and hemianopsia due to epilepsy 93
Amaurotic idiocy, some anomalous forms of, and their bearing on the relationship of the various types 145
Amblyopia, methyl-alcohol ... 233
American Ophthalmological Society (Officers 1943-1944) 522
Angioma of the retina 372
Angiomatosis retinae 566
Annotations ... 38, 87, 131, 183 229, 273, 320, 374 416, 471, 514, 515, 558
Anterior chamber in primary glaucoma, studies on the angle of the 134
in the living eye, method for determining the volume of the 278
photographic determination of the depth and volume of the human 278
Appointments 334
Arachnodactyly, histological eye findings in 233
Argyrosis, a case of occupational, with considerations on metallic impregnation of the cornea 378
Army, night vision in the ... 132
Arruga's speculum, a modification of 310
A singular error (Annotation) ... 515
Association for the prevention of blindness, Bengal 1941-1942 191
Astigmatism, congenital myopic, in identical twins ... 560
the great usefulness of bicylindric combinations in the exploration of ... 560
Aviation, problems of vision in 231

PAGE

Blepharo-conjunctivitis and allergic dermatitis caused by pantocaine ... 235
Blindness, a case of bilateral interstitial keratitis leading to 104
Blind painful eyes (Annotation) 273
British Ophthalmologists (The Council of) Annual Report 1943 ... 274, 281

Carbonic anhydrase in the ocular tissue of mammals 188
Carbon monoxide poisoning, homonymous hemianopia in acute 235
Cataracta caerulea, hereditary 561
Cataract, aetiology of senile ... 239
albino with senile 39
alterations in the capsular epithelium in immature 232
changes in mineral composition of rat lenses with galactose 561
extraction 495
extraction after glaucoma operation 232
extraction, procedures in intracapsular 184
extraction, results of ... 185
extraction, wound rupture after 185
remarks on some types of industrial 89
Chemotherapy in acute gonococcal conjunctivitis ... 562
Chloroma, a case of 89
Choroid, an interesting case of rupture of the 552
and ciliary body, five hundred melanomas of the, followed five years or longer... 423
primary sarcoma of the ... 568
Choroidal detachment 283
Choroidal melanoma, surgical diathermy in ... 46, 95
Choroiditis, and irido-cyclitis, due to silent sinusitis ... 469
traumatic proliferative, due to double penetrating foreign body 440
Ciliary body, mode of action of anti-glaucoma operations, particularly of diathermy applied to the 473
Ciliary region, a case of removal of non-magnetic foreign body from the 550

PAGE

Cloves, oil of, and eugenol; their medico-dental history 135
Colour in protective night light-vision testing lantern (II), transport type, a standardised 255
Complimentary (Annotation) ... 374
Conjunctiva, cicatricial contraction of the, following tissue damage in dyers 234
restoration of the lower cul-de-sac 564
Conjunctivitis caused by staphylococcus aureus giving a strongly positive coagulose reaction, case of 424
chemotherapy in acute gonococcal 562
prontosil soluble in 42
unusual cases of ... 43, 95, 137
verruca as a cause of unilateral 232
Contact lens in cases of neuroparalytic keratitis ... 221
lenses for flying duties, the employment of 375
Convergence function in relation to the basal metabolism 560
voluntary 34
Cornea, a case of fistula of the 306
a case of occupational argyrosis with considerations on metallic impregnation of the ... 378
keroplasty in serpiginous ulcer of the, and allied conditions 276
white rings in the 559
Corneal and conjunctival changes in Schaumann's disease 238
changes in gargoylism ... 472
dystrophy, a third entity of primary symmetrical fatty 49
vascularisation and symptoms of eye fatigue in R.C.A.F. personnel, the effects of riboflavin on... 516
Correspondence ... 40, 95, 137, 239 279, 379, 520, 568
Cross-cylinder, a possible fallacy in the use of 1
Cyclodialysis instrument, a new 565

Dark glasses (correspondence) 568
Diabetes and the eye 509
Disc, marginal haemorrhage on the, partial cross-tearing of the optic nerve. Clinical and histological findings 208
Dyers, cicatricial contraction of the conjunctiva following tissue damage in ... 234

Epilepsy, temporary amaurosis and hemianopsia due to 93
Ewing operation for cicatricial entropion, modified ... 563
Exophthalmos, pulsating 331, 567
Extra-ocular muscles in monkeys, experimental transposition of 425
Eye, a congenital malformation of the external adnexa in the right 472
conditions among pupils in schools for the blind in U.S.A., 1940-1941 (Annotation) 320
disease due to vitamin deficiency in Trinidad ... 419
fascial suspension of the ... 422
histologic findings in arachnodactyly 233
injury, tetanus following ... 423
in mustard gas, treatment ... 417
removal of small magnetic foreign body from the, eighteen months after the date of injury ... 226
senescent changes in the ... 235
staphylococcal infections of the, treatment by immunisation with toxoid 237
the direct measurement of the total refraction of the living human 518
the effect of low pressure on the... 332
the relation of riboflavine to the 291
the vertebrate 138
war injuries of the 440
Eyes, lymphogranuloma venereum lesions of the ... 244
Eye injuries, first aid treatment of industrial 544

Fincham's capsular theory of accommodation, some remarks on 127
Focal infection 566

Gargoylism, the corneal changes in 472
Glaucoma 116

PAGE

Glaucoma, insidious cases of (Annotation) 229
operation for congenital ... 426
prostigmin in the treatment of 518
studies on the angle of the anterior chamber in primary 134
Glaucoma operations, evaluation of 565
Gliomas of the retina 39
a review of twelve cases ... 259
Gonioscopy, a simplified technique of 186
Goniostomy 186
Gonorrhoeal ophthalmia neonatorum treated with sulphanilamide 230

Haemangioma of the orbit, removed by operation ... 61
Hemianopia, homonymous, in acute carbon monoxide poisoning... 235
Hemianopsia and temporary amaurosis due to epilepsy 93
Herpes simplex, notes on forms of keratitis presumably due to the virus of ... 80
zoster ophthalmicus, two rare manifestations 465
Honours 48, 334
Hunger oedema, ocular symptoms of 186
Hyaloid diaphragm, discission of traumatic (March, 1941) 462
Hydrophthalmia, a case of monocular, with special reference to its possible relation to the Sturge-Weber syndrome... 335
Hypermetropic miner, the problem of the 110
Hysterical lesions, treatment of by shock therapy ... 277

International College of Surgeons 240
Interstitial keratitis, a case of, leading to blindness ... 104
Intra-cranial pressure during general anaesthesia, observations on 133
Intra-ocular fluid, the significance of the distribution ratios of non-electrolytes between plasma and ... 431
foreign bodies, a case of multiple 227
foreign bodies, the influence of gravity on 236
malignant melanoma, is enucleation indicated in early cases of? 236

PAGE

Iontotherapy (ionic medication, ionotophoresis, ionisation) as an aid in ophthalmic therapeutics ... 354
Irgamid, sulphanilamide therapy in ophthalmology by means of 189
Iridencleisis, a note on 548
Irido-cyclitis and choroiditis due to silent sinusitis ... 469
Iris, leiomyoblastoma of the ... 377
Irish Ophthalmological Society 382

Keratitis, acne rosacea, and riboflavine (vitamin B_2) ... 107
a case of mustard gas, under constant observation for a period of twenty years 54
dendritic 135
contact lens in cases of neuroparalytic 221
presumably due to the virus of herpes simplex, notes on forms of 80
Kerato-conjunctivitis, epidemic 375
Keratoplasty in serpiginous ulcer of the cornea and allied conditions 276
Knife injury 236

Lacrymal canaliculus, actinomycosis of the inferior ... 424
Leiomyoblastoma iridis ... 377
Lens and vitreous, the gas metabolism of the 234
contact, in cases of paralytic keratitis 221
late traumatic rosette of the 378
the causes of high vitamin C concentration of the aqueous and 276
Lenses, a note on the spherical equivalent of spherocylindrical 302
changes in mineral composition of rat, with galactose cataract ... 561
contact, in flying duties, the employment of 375
prescribing of spectacle ... 239
